Dulux Promise Range

Dulux Promise offers a new and exciting range of products. Its technically advanced undercoats & topcoats offer a better & superior finish which keeps your home looking freshly painted for longer.

Dulux Promise Interior Emulsion

Dulux Promise Interior is a water based acrylic emulsion paint. Powered with unique Anti-Chalking properties, it prevents the paint film from chalking due to environmental elements.

Dulux Promise Exterior Emulsion

Dulux Promise Exterior acrylic emulsion is a highly durable, water-based emulsion paint. Its unique Anti-Peel formulation ensures that the paint film remains intact, and its extra coverage formula covers a wider area in the same quantity of paint.

Dulux Promise Primer

Dulux Promise Primer is a high quality, water-based primer for internal surfaces. Its unique anti-peel formulation ensures superior adhesion for the paint film, thereby resisting peeling or flaking of the topcoat.

Dulux Promise Enamel

Dulux Promise Gloss Enamel is a high quality enamel paint recommended for Wood, Metal & Trim surfaces. It is especially formulated with Chromabrite technology to give a smooth finish with excellent colours. This enamel paint has excellent drying and gives the surface a beautiful glossy finish.

Dulux Promise Putty

Dulux Promise Putty is a ready to use filler that has excellent whiteness, coverage and application properties. Its high quality filling properties make it ideal for use on all types of interior masonry surfaces.
